Wisdom begins with Wonder

Term 3, Week 2

Friday 5 August 2022

Celebrating Success!!

Pukehou School is super proud of Jade Harrison (Year 8) who attended the New Zealand School of Dance Winter School in the first week of the holidays, studying classical Ballet, contemporary and Musical Theatre.

Then in the second week, Jade attended BBO (British Ballet Organisation) Dance Days 2022 in Christchurch studying Ballet, Jazz, Tap and Contemporary. She participated in seven classes a day for four days culminating a 3hr performance on the Friday.

In between, she also performed a solo ballet at a competition known as Theatre Awards. Jade was Awarded the trophy for **Excellence in Ballet** in her Inter Foundation Grade classes.

Dance Days is the equivalent to competing at a National level and gaining a trophy is a very awesome accomplishment.

Jade also voluntarily helps teach dancers in the grades below her and some of her pupils also gained trophies.

This same dedication, commitment, and work ethic is evident here at school. Jade epitomises our vision to develop confident, creative students with 'can-do' attitudes. Kei runga noa atu!

Principal's Message:

It has been great to see a little bit more sunshine of late, and I know our students have loved the opportunity to get out and play in the fresh air. Term 3 and Spring always brings with it a sense of excitement and optimism.

Firstly, I would like to thank parents and whānau that were able to attend student conferences at the end of last term. Unsurprisingly, there were a few curve balls, and if you were unable to attend a conference, teachers are always open to discussing your child's learning with some notice. Our real time reporting journey with HERO continues to expand this term with five learning stories set to be shared over the term. One of the benefits of conferences was that teachers were able to walk families through the HERO App, so if there's interest, we will hold an information evening later in the term to help families connect.

With winter sport coming to an end, we will plan to hold a 'working bee' later in the term. These are always a great opportunity for our community to come together, knock off those jobs that build up, and then get to know each other better over some food and a cuppa.

Onga 7s was a roaring success with all our teams acquitting themselves well and representing Pukehou School with pride. A huge thanks again to whānau who supported on the day and especially to parents who managed the teams. Kendall, Rebeckah, Linda, Michelle, and Lisa...we couldn't have done it without you. There is no let up on the sporting front with both Cross Country and Rippa to come, and children will be practicing or running most days at school!

Pukehou Whanau and Friends (PWF):

A huge thank you to everyone who supported the Little Theatre fundraiser this week. A special thank you to Linda, Lisa, Emma, Tracey and Danielle for your amazing baking! The PWF are in the process of purchasing new sand and a sandpit cover so money raised from this event will be well spent.

Also thank you to Sport Hawkes Bay Tū Manawa Active Aotearoa fund for the grant contribution that went towards the purchase of the new padder tennis nets and bats last term. These are a hit with our tamariki!

Our next meeting is Tuesday 23rd August at 5.30pm in the school staff room. Everyone welcome, we love to see new faces :)
